**APPROACH**
Confidential Resource Advisors provide free, confidential, non-judgmental, restorative and trauma-informed services. They will not tell you what you should or should not do; instead, they will provide information and resources for you to explore what next steps would best support you and/or your peer(s).

**SERVICES**
- Provide referrals for:
  - Interim remedies available to you (e.g., no-contact orders, housing changes, academic support)
  - On and off-campus counseling
  - Legal representation
- Serve as an advisor through the sexual and gender-based harassment process
- Explain Northeastern's policies and investigative processes
- Facilitate educational and restorative conversations around sexual and gender-based harm

**CONNECT**
Confidential Resource Advisor services (CRA) are accessible virtually through phone, email, and video calls.

The best way to connect with a CRA is to fill out OPEN's Sexual Violence Service Request Form:

Service requests are monitored during business hours: Monday-Friday from 8:30am – 5:00pm EST though meetings can occur outside those times to accommodate schedules.

**LEARN**
If you learn that someone you know has been accused and you aren't sure what to do, OPEN's Community Consultation is a confidential option for you. Community Consultation provides support, resources, and information to Northeastern community members (students and employees) who are seeking to learn more about sexual violence prevention and response. You can connect to this service through OPEN's Sexual Violence Service Request Form:
